Argentina/UK

At the opening session of a three day meeting, the Organization of American States unanimously approved a resolution today calling on Argentina and Great Britain to avoid the use of force in their dispute over the Falkland Islands. Several unnamed diplomats said it seemed unlikely that the meeting would result in the imposition of hemispheric sanctions against London. (AP)

Argentina

The Embassy in Buenos Aires reports a rising level of public anxiety in the city today despite a calm and businesslike atmosphere. Depositors have been withdrawing funds from banks at a growing rate for the past several days and there are reports of hoarding. (Buenos Aires 2511, C)

The Embassy denied local press reports that non-essential personnel are being evacuated to Uruguay. (AP)
